

Charlene Baskerville
Corrigan-Radgowski
Office Assistant
Start date 1/25/95
(Bill 444)

My Testimony

- I attend the same annual defensive technique training classes as the custody staff
- Immunizations (Hepatitis shots, annual TB screenings.
- Used as a hostage in a simulated code yellow
- When on lockdown and there no one allowed to leave the building...I can't leave
- i.e (suspicious powder found in the mail...whole facility on lock down until Haz mat team completes investigation)
- Every day I enter the facility through two secured sliding doors
- Supervise inmate worker
- One way out may office
- Steady inmate contact throughout the day (inmates seeing counselors, Counselor Supervisor, Parole officer and cleaners in hallway, etc)
- At times I have to call them up and discuss their visiting list or inmate payroll issues
- When codes are called and there are inmate(s) in my hallway...have to monitor them i until the code is clear and they can return to their unit.
- My check states hazardous duty
- Participated in feed backs – feeding the inmates in their living quarters
